Present:

Gladi Felser, Secretary Rita Meidam, Treasurer Vicki Rummel, Membership
Board Members: Dave Ebben, Dave Bethell, Bruce Mezei, Lowell Meidam
Grant Pederson John Marck, guest

Meeting was called to order at 5:00 by President, Larry Rydberg

Rita gave financial report. Copy on file.

Vicki gave an update on membership. Change of membership renewal for businesses has been very successful. She will follow up with a few who have not renewed. Adding the option to make an additional donation has generated additional income. General membership renewal letters will go out in March. Former members who have not renewed for the past 3 years will be removed from the list. Motion made and passed to offer members a free map.

Larry gave an update on Oneida County. Not much new to report.

Discussion of our club web page. Do we want to stay with what we have or consider changing services? John will work with Larry to look into options, including talking with Kari Kelly at Chamber.

Also discussed our Facebook page. At times people ask questions, and no one responds. Our FB page definitely needs to be updated and monitored. More and more people use FB for updated information so it's essential to keep it current. We need to add names to Administrators.

Gregg gave an update on maps. Question is do we want to continue doing them as we have in the past or consider doing our own? The committee will explore options.

The Club will update the Cruisers trail opening our FB and Web pages. The project is actually coming in under budget but additional money will be needed for gates and signage.

There has been a request by the Nokomis Fire Department for a donation to purchase a new ATV for the department. After lengthy discussion, it was decided that we need to look into it further and perhaps have Don Richert do a presentation at a general club meeting.

Board decided that we should meet again in March to prepare for upcoming season and April general meeting. Larry will get back to us with possible dates.

Meeting adjourned at 6:25.
