Remaining tickers will be sold at the party today. Springers sold 31 envelopes. Because of this outstanding effort, Dave E presented them with \$25 in chamber bucks from the club.

**New Business:** The following items were discussed prior to ballot vote:

**Meeting format:** Grant gave a brief report on the pros and cons of having Saturday morning and Monday evening meetings.

**Charitable Contributions:** Gladi explained that in addition to giving \$500 to each of the food pantries, the Board had approved to donate \$2,000 to local charities. This years committee elected to give \$500 to Our Sisiter's House, Families in Need at the Elementary School, the Happy Backpack program and the Delinquent lunch account fund at through the Park City Credit Union.

**Cash Raffle Fund Raiser:** Grant briefly discussed the benefits of doing a yearly cash raffle.

**Scavenger Hunt:** Gladi suggested that the club might consider doing a fourth scavenger hunt as a club activity instead of a fund raiser and have it end at the cash raffle/fall party. This would require far fewer committee members and eliminate the need to ask business members for donations.

**Increasing the number of board members from 4 to 6.** Grant indicated that it's difficult covering the work of 11 committees with only 4 board of directors and 5 officers. This would also get more people involved in the workings of the club.

## **Committee Reports:**

Bruce gave a brief update on Trail Maintenance to be done this fall.

Gregg announced that the trail from Cty L to Swamp Lake Rd was completed by Rondele Ranch and Mussons at no cost to the club. A Thank you was sent to both.

Bruce gave a summary of the ride to Ross Lake Run. He also talked about the Woodboro Lakes Trail and the DNR's refusal to support our request and open it up to ATVs. He suggested the club continue to pursue it.

Larry announced that due to the road construction on Hwy L the club would postpone cleaning it up until spring, there is however, a private group that has volunteered to cleanup the town side roads as well as L.

John gave an update on the website and plans for adding more information.

**Proposed considerations for updating the By-Laws:** This winter the board will update the bylaws to reflect changes being made which may include updating the club objectives, increasing the number of board members and electing officers in May instead of June.
